Respetados Hípicos:

Las jugadas de Simulcast por el sistema Commingle se basan en que las apuestas generadas en nuestro medio entran al tablero de apuestas de cada uno de los hipódromos de los que comprenden este sistema, y los dividendos que se reportan son los pagaderos en cada hipódromo apostado.

Cada hipódromo tiene su propio reglamento de jugadas, por consiguiente, al suscitarse cualquier incidente en las carreras, que influyan en los dividendos, es porque cada centro hípico pone en práctica sus reglas de juego.

Hípica de Panamá, S. A. no puede cambiar esas reglas de juego, ya que se dan en los centros hípicos de origen y se paga lo que refleja cada tablero oficialmente.

Es importante recalcar, que el sistema Commingle está aprobado por la Junta de Control de Juegos.

GERENCIA GENERAL
